Von Florian Langenscheidt : 1000 Glcksmomente before purchasing it in order to gage whether or not it would be

worth my time, and all praised 1000 Glcksmomente:

Produktbeschreibung- VisualAge for Java, Early Adopters Environment for the Java 2 Platform, Standard Edition, V1.2 for Windows NT English Only- VisualAge for Java for Linux US English Only- An improved Tool Integrator API supporting third-party pluggable tools- Visual Composition Editor VCE provides complete visual programming, support for Swing beans, and full support for serialization. Also supports the importing and editing of user interfaces that were handcoded or created using other IDEs.- Improved Data Access Beans
