**Von Yvonne Niewerth : Mein Buch der Liebe** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mein Buch der Liebe:

KurzbeschreibungA perfect day for two - The first time I saw you - If our love were a colour - The things I'd love to hear you say - Our precious moments - Our life ten years from now - What drives me mad about you - Times I'd like to re-live - The things you do when I have a bad day - My heart beats faster when What is the essence of a relationship? What do I want to remember about it, what do I want to hold on to, what are my dreams, and what do I want to change? This refreshingly different relationship journal will help you write your own entries to remember and

preserve your love, uncover the secret desires you share with your partner, give you suggestions for resolving conflicts - and occasionally pose cheeky questions you would usually not say out loud. As well as offering plenty of room for noting down your own thoughts, there is also space for photos, blueprints of your dream house (and the rest of your future), best-and-worst lists, ABC diaries and much much more. A gem for lovers to treasure. stylish and unique - a perfect gift for anniversaries, Valentine's Day or Just Because "Mein Buch fr das Leben" and "Mein Buch der Wnsche": over 20,000 copies sold a stunning, premium quality book
